Dear Madam Lai

For and on behalf of Consulate General of Ireland to Shanghai and IDA Ireland, we are writing to express our gratitude for your company's support to Ireland's fighting against Covid-19.

Ireland has a long history and prestigious reputation for life science industry. It also has a high standard for medical equipment products. After strict inspections and laboratory tests, Irish Government through HSE decided to purchase 2000D/ 5000D ventilators from your company, Shenzhen Prunus technology co., LTD, which has been proved to be world class product.

We would also appreciate your great help to our colleague, Mr. Wang Lei, from IDA Ireland. Ireland and IDA Ireland will be delighted to provide you any assistance and support for your company's future development in Ireland and Europe.

Date: Apr 27, 2020

We are very glad to know that your company is producing ventilators for the orders from Serbia. During this special period which whole world is fighting against Corona Virus, these ventilators will help our Serbian medical team a lot. We sincerely thanks for your support.

Consulate General of the Republic of Serbia

Dejan Marinković

Prunus answers the call of Chinese government and the demand of Coronavirus control. Thousands of ventilators are produced and delivered to countries all over the world.

Just as what Ms. LAI Chunhong, the Chief Executive of Prunus says:

"We share the same warmth and cold. We fight together for a peaceful world."
